Performance Services Announces 300th Project Milestone

Indianapolis, IN. Performance Services is pleased to announce a 300th project milestone. This milestone is based on being selected and contracted for 300 installation contracts, comprised of guaranteed energy savings, design-build construction and Energy Leadership programs. Founded in 1998, Performance Services has always had the singular focus of delivering high performing buildings with 100% customer satisfaction. Time and again, the approach has been proven to deliver best value solutions with significant energy and operational savings and optimal environments. President and CEO, Tim Thoman, shared a few thoughts on this milestone achievement:

“Our company was built on a set of Guiding Principles. One of these pillars is Service, which is our call to serve and help our customers, employees, and business partners by providing them with the best value possible. We deliver integrated design and construction projects with the goal of producing the highest performing buildings for our customers. Along with our talented and dedicated team, I am thankful for the trust our customers have placed in us in delivering these 300 successful projects and look forward to continuing to serve our customers with 100% customer satisfaction in 2016 and beyond.”
