Dear Educator:

The West Point Society of Indiana invites your school to participate in our ninth annual Leadership & Ethics Conference for high school Juniors to be held on Friday, February 2, 2018 from 8:00 a.m. until 3:00 p.m. at the Rolls Royce/UAW Training Center, in Indianapolis.

The purpose of this conference is to help make good young leaders better leaders by giving them tools they can use as leaders in your school and community. This seminar will provide your high school Juniors with a challenging learning experience that is both exciting and memorable.

The Conference is an interactive seminar during which the students will explore the foundations of ethical leadership and their own personal values. Small group discussions led by Cadets from West Point, the premier leadership school in the country, are the highlight of the Conference. The West Point curriculum we use has been used around the country at high schools and colleges to help develop leaders of character.

Faculty are invited to attend and participate in a separate session that will discuss how to embed character development seamlessly, and without additional cost, in existing curriculum and extra-curricular activities. Faculty participants will receive a certificate for six hours of professional development credit approved by the Indiana Department of Education.

Your school is invited to send two Juniors and one Faculty representative to the Conference.

The conference is FREE to all participating students and faculty, but registration is required. Lunch and snacks at breaks will be provided. Participation is limited and will be awarded on a first come first served basis. Please fill out and return the enclosed registration as soon as possible to ensure your school's participation. You will receive written confirmation of your reservation status along with directions to the Conference location and a final agenda approximately two weeks prior to the conference.

Registration deadline is January 25, 2018.

Questions may be addressed to the undersigned by phone at 317-523-8769, or by email at gchambers67@sbcglobal.net

Sincerely,
West Point Society of Indiana
